

Sponsor Commitment Form

This letter is to certify that I am aware of all responsibilities and expectations placed on me as a sponsor at Fish Camp. I have also been informed of the Camp Rules and Guidelines and agree to abide by them. I agree to strive to reflect a Christ-like attitude while I serve as a sponsor. I realize what a privilege and responsibility it is to be able to be a sponsor for the children who come to camp and will do my best to be an example to each camper and other sponsors.

Sincerely,

This is to certify that I, _____, know and vouch for _____, who will come with our church as a sponsor to Fish Camp. This person is trustworthy, of good character and is striving toward spiritual maturity. I can without question say that he/she has nothing in his/her background that would prevent him/her from being a positive influence on our campers. I understand that our church is legally responsible for the proper selection of sponsors and for their actions while acting in this capacity. He/She will reflect the love of Christ to others who are participating in the camp experience.
