

Crossroads Family,

Due to the fact that our area is still being bombarded with new COVID-19 cases, I along with the staff, want to reach out with a reminder that we are still asking all who attend our services to continue to be diligent in wearing masks, using hand sanitizer, and practicing social distancing. We have done a great job so far in keeping down the spread of COVID through our services and we want to continue with this as we spend time in God's word together.

I understand we all are tired of masks and social distancing. However, out of respect for our neighbors, our staff feels this is the best way to remain meeting in person and safe for all people involved. God has called us to look out for the health of one another, loving our neighbor as ourselves (Romans 13:9). We should all remember that this request is temporary. Our goal is to continue meeting together in-person each week. As we come together our hope is to help slow the spread and move past this phase.

Please know that we pray for your health and safety. We love you and desire to worship with you in person! Continue to pray for us as we make decisions.

For you were called to freedom, brothers. Only do not use your freedom as an opportunity for the flesh, but through love serve one another. For the whole law is fulfilled in one word: "You shall love your neighbor as yourself." (Gal 5:13-14)

In Him,
Bro. Derek
